

# Limited Coil Warranty

Coils manufactured by Farley's, Inc. for installation in machinery manufactured by Farley's, Inc. and sold as replacement coils are warranted by the manufacturer to be free from defects in materials and workmanship under normal intended use and service upon the terms contained herein.

This warranty is limited to repairing or replacing the defective coil for five years from the date of purchase if the coil is contained within a new machine manufactured by Farley's, Inc., or five years from the date of installation if the coil is sold as a replacement, upon the following prorated schedule:

- (a) Full Replacement or Repair during the first two years
- (b) Replacement or Repair with customer bearing 40% of cost during the third year
- (c) Replacement or Repair with customer bearing 60% of cost during the fourth year
- (d) Replacement or Repair with customer bearing 80% of cost during the fifth year

Manufacturer reserves the right to make the final determination whether to replace or repair the defective coil when received postage or freight prepaid and verified defective by the manufacturer. This Limited Warranty shall not apply to repair/replacements other than those performed by the manufacturer except where prior written approval from Farley's, Inc. is obtained.

This express warranty set forth herein is in lieu of all other warranties, express or implied, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose. The manufacturer neither assumes nor authorizes any other individual or company to assume for it any obligation or liability in connection with this product.

**The following product conditions are excluded from this warranty:**

- (a) Coils damaged by freezing conditions.
- (b) Pin holes developed in coils caused by harsh chemicals or other causes.
- (c) Coils damaged by scaling.
- (d) Coils damaged by burner malfunctions.
- (e) Coils damaged by abuse, neglect, alteration or improper installation contrary to factory recommendations if a replacement coil.

There are no warranties for this product which extend beyond the description of the face hereof.

# Limited Warranty

This final product is warranted by the manufacturer to be free from defects in materials and workmanship under normal intended use and service for ninety (90) days from date of purchase.

This warranty is limited to repairing or replacing defective component parts. It does not provide for replacement of the final or complete product due to a defective part or parts, nor does it cover any charges of whatever nature in connection with the repair or replacement of such defective parts.

At the option of the manufacturer, component parts found to be defective will be replaced or repaired on a "no-charge" basis when received postage or freight pre-paid and verified defective by the manufacturer.

The express warranty set forth herein is in lieu of all other warranties, express or implied, including the implied warranty of merchantability and the implied of fitness of a particular purpose. And the manufacturer neither assumes or authorizes any other individual or company to assume for it any obligation or liability in connection with its product.

**This warranty is subject to the following warranty conditions:**

1. Water heating coils assembled into the final product by the manufacturer are separately, individually warranted under a limited warranty in material and workmanship. Warranty holder should refer to the terms of the Limited Coil Warranty in the event of a claim.
2. Electric motors, internal combustion engines and water pumps are components supplied by other manufacturers. They are guaranteed by their respective manufacturers' nearest "factory service center" for replacement for a period of one (1) year from the date of purchase of final product. When necessary, final product manufacturer will act as your agent to secure adjustment.
3. Items such as valves and controls are warranted by the manufacturer for ninety (90) days from date of purchase of final product.
4. This warranty will not apply to quick couplings, hoses, ball valves, gauges, trigger guns and spray nozzles.
5. Evidence of damage, abuse, neglect, alteration, improper installation of operation contrary to factory recommendations will void this warranty.

There are no warranties which extend beyond the description on the face hereof.
